Holidays are important, therefore we have dedicated spaces providing availability all year round, even at short notice.

The Noosa Hospital Renal Unit

We provide comprehensive haemodialysis treatment for private and public patients from around Australia and overseas.

The Renal Unit has five chairs and is located on the ground floor of Noosa Hospital with an outlook through large picture windows onto a pretty Australian bush setting.

Open Monday to Saturday from 7.00am to 8.00pm.

The Unit is supported by 24-hour medical and emergency services through the hospital's Intensive Care Unit and Emergency Department.

Our experienced Nephrologists, Dr Peter Hollett and Dr Kumar Mahadevan, provide high quality and evidence based care to patients at Noosa Hospital.

Location

The Noosa Hospital Renal Unit is located just minutes from Noosa Heads and locally renowned beaches, restaurants and Noosa National Park.

Sunshine Coast Airport is an easy 30 minute drive with direct flights daily to Melbourne, Sydney and Adelaide and seasonal weekly flights to Auckland. Airport transfers available.

Premium Service Features

- Free on-site parking
- Ground floor and wheelchair access
- Morning / Afternoon tea and lunch provided for patients
- Free access to movies and WIFI for patients
- Onsite café
- Tranquil bush setting
- Minimum 4 days' notice for renal holiday treatment bookings
- Shared transport drop-off and pick-up service within the Noosa area to and from your accommodation
- NSW Enable funded patients accepted

Holiday Dialysis Program

The Renal Unit is available all year and welcomes all holiday patients, new and returning, to receive treatment while holidaying in the Noosa and Sunshine Coast area.

Our service provides a great opportunity for patients to enjoy the wonderful holiday destination that is Noosa, with the confidence of knowing that an experienced team is on hand to provide the best care possible.
